Dear Mr. Skinner,

This is to inform you that the Director of Health revoked your license as an Emergency Medical Technician-Paramedic effective July 1, 1999.

By letter dated June 16, 1999, you were informed that the Director of Health would revoke your license as an Emergency Medical Technician-Paramedic if you did not request a hearing by July 1, 1999. You did not request the hearing. Accordingly, the Director reviewed this matter and acted to revoke your license.

The Director has good and sufficient cause for this action inasmuch as you did submit false documentation per EMT-Paramedic licensure applications dated January 17, 1998 and December 17, 1998 respectively. This activity constitutes grounds to revoke an Emergency Medical Technician license under the provisions of RIGL (1987 Reenactment) Section 23-4.1-9 and Section 15.0 of the Rules and Regulations Relating to Emergency Medical Services (R23-4.1-EMS).

In conclusion, this letter will constitute official notification that your license as an Emergency Medical Technician-Paramedic in the State of Rhode Island is revoked effective July 1, 1999. This letter will be placed in your permanent record maintained by the Department of Health, Division of Emergency Medical Services.

Should you have any questions, do not hesitate to contact me at (401) 222-2401.

Sincerely,

Peter Leary, Chief
Emergency Medical Services
